Elements***

***Naturally Fermented Apple Cider Vinegar***

***Contains: Acetic Acid, Malic Acid, Vitamins, Minerals and Trace Elements***

## **DIRECTIONS**

Recommended weekly dosage rates as a natural suppliment

Calves	.....	20 mls
Sheep	.....	20mls
Deer	.....	30mls
Pigs	.....	30mls
Horses	.....	80 mls
Cattle	.....	100mls

If direct drenching dilute with equal part of water.

Regular dosing obtains best results either mixed with food or through a water dispenser.

**Keep lid tight and store in shade. Shake before use.**
